Journal of Studies on Alcohol

The JOURNAL OF STUDIES ON ALCOHOL is published bimonthly at the Center of Alcohol Studies, Rutgers University, by Alcohol Research Documentation, Inc.

The six issues, dated January, March, May, July, September and November, contain original research reports that contribute significantly to fundamental knowledge about alcohol, its use and misuse, and its biomedical, behavioral and sociocultural effects. Specific areas of scientific and theoretical emphasis are reflected in the specialty areas served by the field editors.

Information for Contributors is published in each issue. Copies may be ordered from the editorial office at the address below or from the Editors, Drs. Jack H. Mendelson and Nancy K. Mello, Alcohol and Drug Abuse Research Center, McLean Hospital-Harvard Medical School, 115 Mill Street, Belmont, MA 02178. New manuscripts should be submitted to the Editors.
